CASA ETNELLA

ARTISAN WINES AND TOURISM

Our entry-level wines are the gateway to the Etnella world

Attia(“to you” in sicilian dialect)
, fresh, crunchy, mineral and
stable for service by the glass

TECH DATA

Vineyard	c.da bonanno
Altitude	700mt asl
Vineyard age	8 yrs
Maceration	Direct press- whole bunch
Fermentation	spontaneous
Aging	steel
Sulphite level	40mg/lt
Nr of bottles 25	1.700
bottle burgundy	400g

Attia Etna Bianco

2025

Carricante 80% Cataratto 10% Grecanico 5% Grillo 5%

In Contrada Bonanno, on the northern slope of Mount Etna, surrounding our cellar, we planted what we consider our dream vineyard.

One part has 5 of our favourite grapes planted in guyot and the other part is an alberello vineyard of pure carricante all in massale selection .

The grapes are harvested together to create a precise and vertical white wine defined by freshness, salinity and volcanic minerality complemented by the fruit character of Grecanico and Grillo

TECH DATA

Vineyard	various 700-
Altitude	100mt asl
Vineyard age	8 to 50 yrs
Fermentation	spontaneous

bottle burgundy	400g

Attia Etna Rosso

2025

Nerello Mascalese 80% Nerello Cappuccio 10%
Grenache 5% altre 5%

Sourced from several vineyards across Mount Etna, this wine combines bright fruit, freshness and volcanic character

The result is an energetic and vibrant red wine: easy to drink, yet layered and complex, making it ideal for by-the-glass programs

CASA ETNELLA

ARTISAN WINES AND TOURISM

A Cru represents the pure expression of a specific
terroir on Mount Etna.

Centuries of volcanic activity have created a
mosaic of soils, altitudes, exposures and
microclimates, each capable of producing wines
with a unique identity.

The official Etna zoning reflects this extraordinary
diversity.

Let's explore the many faces of Mount Etna

Macersation	6 hours
container	steel barrel
sulphite level	40mg/lt
Nr of bottles	25
bottle burgundy	400g

Orientale Sicula Rosato IGP 2025

Nerello Mascalese 95% mixed whites 5%

From the vineyard located in Mascali, home of our casa etnella agriturismo notti stellate, we harvest from an amazing alberello vineyard that was planted by us 10 years ago.

Juicy and vinous is probaly one of the most interesting expressions of nerello mascalese from the north east facing the sea at 600mt above seal level and with a great biodiversity

At only 12% alcohol, this wine combines remarkable drinkability with depth, character and gastronomic versatility.it

Nr of bottles	25 1.500
Bottle burgundy	400g

Kaos 5.0 Bianco Macerato 2025

Carricante, Cataratto, Grecanico, Minnella, Inzolia,
Grenache blanc, Chardonnay

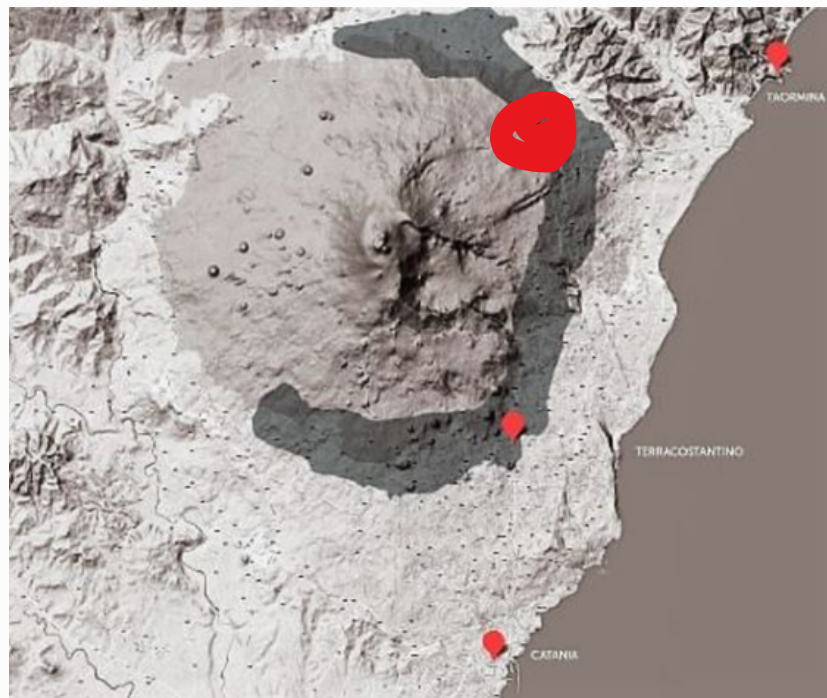

If there is one wine that captures the essence of Etna, this
is it .etna in a glass.

This wine is the result of a journey through old vineyards
planted at different elevations across Mount Etna.

A very long exercise that we turned into an advantage,
we break harvest in 3 moments , with progressive harvest
decisions we create 3 masses macerating for long after
and joined together fermentation .

A very good aging wine with structure that still keeps the
levity , an unmissable cru from our production
with amazing floral notes and a calm yet subtle intensity

TECH DATA

Vineyard	various 700-
Altitude	100m asl 40
Vineyard age	to 90 yrs
Fermentation	spontaneous
Maceration	10 days
container	cement egg

Nr of bottles 25	1.500
bottle burgundy	400g

Tracotanza Rosso igp 2025

Nerello Mascalese 80% Grenache 20%

Tracotanza is a wine of passion, energy and mountain character, an open reminder to greek tragedy. A high altitude vineyard in one of the most reputed CRU on Etna Montedolce-Barbabeccchi the vineyard has 3 plots with different age, 1 part old alberello and the remainder is 40 years old plants in rows. Ripeness often comes later than the other vineyards and we have taken grapes end of oktober The result is a wine driven by vibrant red fruit kept by the reductive style of wine making with pre-fermentative maceration on whole bin, freshness of high mountain, complex yet gastronomic and with a juous 1 gram of sugar residual makes for a feast at the table

TECH DATA

Vineyard	various
Altitude	750m asl
Vineyard age	40 to 90 yrs
Fermentation	spontaneous
maceration	20 days
container	Tonneaux and steel egg
sulphite level	40mg/lt
Nr of bottles	25
bottle burgundy	600g

Kaos Rosso igp 2024

Nerello Mascalese 80% Nerello Cappuccio 20%

We run this vineyard since ten years, a forty year old alberello home of also some great white grapes like coda di volpe and grecanico as well as some old catarratto's (used in kaos bianco)

A classic long vinification with aging for $\frac{2}{3}$ in a tonneaux for around 6 months

another amazing contrada savina in etna north in randazzo direction mountain , this wines are timeless.

We all need a little Kaos in our lives

CASA ETNELLA

ARTISAN WINES AND TOURISM

A Grand Cru has proven stable capabilities of producing great grapes but also has intrinsic characteristics like the very old grapes, the terraces, the altitude and the exposition to the sea as well as a vast wood that make it for a gifted wine

A Grand Cru should elevate a moment into a memory.

TECH DATA

Vineyard	various 620-
Altitude	800m asl 40
Vineyard age	to 100 yrs
Fermentation	spontaneous
Maceration	very long
Container	Tonneaux
	and steel
Sulphite level	<40mg/lt
Nr of bottles 25	650
bottle burgundy	600g

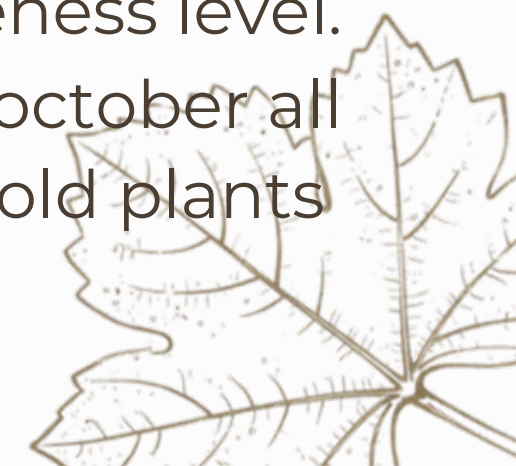

Notti Stellate Etna Rosso 2024

Nerello Mascalese 80% Nerello Cappuccio 10%
Grenache 7% Syrah 3%

From the very beginning, we imagined this vineyard as
our own interpretation of Van Gogh's Starry Night .

A living painting composed of vines, terraces and
volcanic landscapes. in this heroic vineyard spanning
from 620 meters all the way to 800mt through a
spectacular amphitheatre of terraces with different
microclimates and ripeness level.

the vineyards is harvested around 10 october all
together for a very low yeld due to the very old plants

CASA ETNELLA
